
Dynagram's free inpO2 Wizard for INposition - DataBasics Newsflash June 2009

FREE inpO2 Wizard for INposition customers!

To celebrate 15 years of delivering imposition solutions to the commercial printing industry, Dynagram is offering all past and present INposition Customers an opportunity to receive a complimentary copy of its all new inpO2 Wizard!

Discover inpO2 for Adobe Acrobat

inpO2 (in-poe-two) is the market's only modular imposition solution. Because of this, you add features and functions as you need them, creating just the right product for your PDF production environment.

As the foundation of the modular design to inpO2, the inpO2 Wizard is an easy-to-use imposition software for folded or flat work of any size - all within Acrobat 8.0/9.0. Simply upload your PDF file, choose your binding style, identify your sheet size and marks and you're done! No other product on the market is as easy-to-use and reliable as inpO2 for PDF workflows.

Start with our inpO2 Wizard basic edition and add advanced features by adding modules if needed. Additional modules include:

- Layout Editor for customisation and fine-tuning.
- Assembly Planner for complex bound jobs with other professional features.
- Optimization Module for automated gang printing
- Automation Module for hot folder automation.
- JDF Export for JDF export and JDF cutting parameters.

INposition 6.x Customers and above - be sure to ask about our specials for the Layout Editor and the Assembly Planning Modules! Email sales@dynagram.com

Get your Wizard Now!

To get your free copy of the inpO2 Wizard it's easy! Just click on one of the download links below!

Download **inpO2 Wizard for Windows** (XP and Vista)

<http://cts.vresp.com/c/?Dynagram/897aeab5e7/1a8257503a/9b782cc028>

Download **inpO2 Wizard for MacOSX**

<http://cts.vresp.com/c/?Dynagram/897aeab5e7/1a8257503a/d3816404ab>

NOTE: If you already have an inpO2 license installed, it is not recommended to install the inpO2 Wizard license on the same workstation as it will override your existing product.
